Jane E. Henney
FDA Commissioner
5600 Fishers Lane
Rockville, Maryland 20857

Dear Commissioner Henney:

The purpose of this letter is to urge you to prohibit livestock producers from routinely adding medically important antibiotics to animal feed to promote growth. Please consider people rather than pocketbooks. With your help, I can have confidence in my children's health.

If you have any questions or concerns please contact me at the address above or at (248) 424-2600.

Sincerely,

Scott M. Foster
